Dear Marjorie Swofford:

This email is to acknowledge that the Public Service Commission of South Carolina has received your Letter of Protest. Please be advised that your Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2020-125-E - Application of Dominion Energy South Carolina, Inc. for Adjustment of Rates and Charges (See Commission Order No. 2020-313)

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at: <https://dms.psc.sc.gov/Web/Email>; or you may follow specifically Docket No. 2020-125-E at: <https://dms.psc.sc.gov/Web/Dockets/Detail/117462>.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Becky Latimer

Subject: [External] Docket No.2020-125-E

Is it true that Dominion Energy is proposing to raise our rates in the middle of a pandemic? If so that is a slap in the face to all the citizens in SC who are already struggling to meet the demands of keeping a roof over their heads and food on the table for their families. Then there are the elderly and disabled on Social Security who will also suffer greatly. How can you allow them to do this? What happened to all the promises Dominion made when they came into our state a few years ago? Please represent the people of S.C. and DO NOT approve this rate increase, now is not the time.
